MEMORANDUM:

TO: Joint Management Committee, Research and Evaluation Committee and AHWS Staff

FROM: Irvin George, Manager

Date: April 28, 2008

Subject: Staffing Change

We are pleased to announce that effective March 31, 2008, the successful candidate of the Performance Measures Coordinator position is Yanka Cvetanova. Yanka had been working as the Data Administration Assistant with the AHWS office on contract for over a year. Yanka has proven to be a strong team member who is proficient in a variety of data applications and has the skills to provide the statistical analysis required of the Partners.

Prior to coming to Canada, Yanka was a Senior Assistant Professor teaching Statistical Methods and Biostatistics at the Faculty of Agriculture, at Trakia University in Bulgaria.

Please join us in congratulating Yanka on her new appointment and welcoming her as a full-time member of the AHWS team.
